Good Morning,

FMC Devens is still currently under a institutional quarantine for precautionary measures. The inmate is unable to make phone calls. He is able to write and receive institutional mail and legal mail. We are unable to coordinate a legal call request at this time. Once the quarantine is lifted staff will be able to schedule a legal call.

Thank you

Hello,

I would like to schedule a legal call with Richard Gaffey at your earliest convenience.

Thanks,

Bill Fick
